Dear licensing
Dover Town Council wish to Object to the application to place tables & chairs on the Highway at Elephant and Hind, 18-19Market Square. For the following reason:-
The added number of table and chairs will cause too much overcrowding in an area of high pedestrian footfall. The likelihood of patrons pushing chairs back & the addition of a barrier will force pedestrians to walk on the roadway. The extension of hours for outdoor seating is unacceptable owing to the amount of immediately adjacent residential properties .
