How long have you served in local government?

WINGHAM PARISH COUNCIL — 10 YEARS

Reasons for applying and why you consider you are suitable for this appointment having regard to the Purpose Specification (please use separate sheet if required)

Parish councils have recently celebrated 100 years of existence, and Parish Councillors have for all those years represented members of the public at the most local level. However there is a need for Parish Councils to become more accountable to the people that they represent. It is in my opinion very important that all sections of the local community are encouraged to stand for election to ensure a good balance within Parish Councils.

In its preamble to the White Paper “*Modern Local Government – In touch with the people*” the White paper states:

“ The Government wants to see Councils everywhere put their local people and communities first. Only with such Councils will local people get the best.”

The recommendations made in the Nolan report on standards in public life need to be followed, and Parish Councils need to adopt a standards code, which will guide them, but not be a burden on their limited administration skills.

If I am accepted as the Parish Councils representative on the Standards Committee I will report the relevant issues of the Committee to the quarterly meetings of the Dover Area Kent Association of Parish Councils. I feel it is important that there is communication with all Parish Councils, and 28 of the 33 Parish’s in the Dover Area are members of the Kent Association of Parish Councils. I will send a copy of the report to the five Parish Councils that are not members of the KAPC.

I will make available to all Parish Councils my work and home telephone number 01227 720238, my fax number 01227 722181, and my e-mail address john.willshaw@lineone.net

To the best of your knowledge, do you have any conflicts of interest which have not already been disclosed and which might be relevant.

How long have you served in local government?

Fifteen years

Reasons for applying and why you consider you are suitable for this appointment having regard to the Purpose Specification (please use separate sheet if required).

I am now in my fourth term of office as a Parish Councillor. I became a Parish Councillor because I believe in being prepared to support living in a rural community in a practical way. I have served as chairman during each of the last three terms' of office. As a councillor I take an active interest in issues that will affect not only our immediate parish but further afield.

Within St Margaret's I have been a guider, running the Brownie Pack, a school governor and am a member of the W.I., of which I have been both Secretary and President. More recently I have been part of the fund raising committee for the rebuilding of the Parish Hall.

I am presently working with the Rural Housing Association on behalf of the parish council investigating the possibility of a rural housing scheme within St Margaret's.

To the best of your knowledge, do you have any conflicts of interest which have not already been disclosed and which might be relevant.

Parish Representative.

Dear Mr. Horne,

I thank you for your letter dated 18th October explaining the situation of selecting a Parish Representative for the Standards Committee.

I have given the matter further consideration and have spoken to our Parish Council Chairman about this, and have decided that my experience of Parish government is yet too limited. It is therefore, with regret that I have to withdraw my name for those who have been nominated and hope that I have not caused you too much trouble.

Yours sincerely,

Dear Mr Horne,

Re: Parish Representative

Further to your letter dated 18th October 2001.

Having looked at the Application Form, which I feel goes into far more detail than is necessary to choose a representative, I have sort advice from the K.A.P.C. Knowing that several well qualified candidates from other Parishes have applied, I have decided not to complete the form and withdraw my nomination.

As a Legal Department I feel your questions regarding convictions etc are unnecessary as nobody is allowed to serve on a Parish Council if they have committed an offence.

Yours sincerely,

I.O. Mollart
