Councillor N J Collor has given formal notice that he will propose the following motion:-

"That this Council recognises the increasing number of abandoned vehicles and instances of fly-tipping that are occurring within our District and the detrimental effects such practices have on the local environment.

In respect of abandoned vehicles, this Council resolves to establish a definite target in terms of the maximum number of days for their removal and seeks agreement with KCC to meet the same target. The possibility

of involving local private companies to assist with removal should be investigated.

In areas of the District where fly-tipping is a frequent occurrence, signs should be displayed as soon as practical advising of prosecution and fines levied. Resources should be made available to give this policy the necessary legal backup."
