Chief Executive

Scrutiny Committee; 15th November 2016

Lorry Parking Survey

The Scrutiny Committee asked at the meeting on September 20th that the results of the most recent survey on lorry parking in the District be reported to a meeting of the Scrutiny (Policy & Performance) Committee in the next 2 months and that future surveys also consult with District members and not just Parish Councils.

In response to this request, the following table has been prepared which sets out the activities undertaken by Civil Enforcement Officers over the past month with regard to HGV parking and the action taken, if any, in each instance.
