Dear Emma-Jane

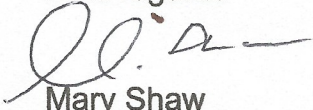

Further to our correspondence this year and recent meeting with yourself on 12 May I am writing to clarify the council's position on the Community Building Land put aside by Persimmon and the residue of the funds from the s106 agreement.

Sholden Parish Council met on Monday 22 May and resolved the following:

Sholden Parish Council request from Dover District Council that they vary the terms of the planning s106 to request from the developer a change to enable the balance of funds be transferred to Sholden Parish Council for the improvement and refurbishment of Sholden village hall, however, should this be unsuccessful, Sholden Parish Council will continue to pursue acquisition of the community building land set out under paragraph 5.2.2.

I await your reply.

Kind regards

Mary Shaw
Parish Clerk

On behalf of Sholden Parish Council
