<b>Purpose of the report:</b>	To purchase 6 Huron Terrace, Dover.
<b>Recommendation:</b>	To purchase 6 Huron Terrace, Dover.

## 1. Summary

- 1.1 The Council approved a recommendation within the Budget 2015/16 and Medium Term Financial Plan 2015/16 – 2017/18 to purchase properties through normal sale/negotiation, submission of bids or bids at auction as and when they arose subject to them representing good value for money.
- 1.2 The former Council property, 6 Huron Terrace, has become available on the market and it is considered that the Council should attempt to purchase it.

## 2. Introduction and Background

- 2.1 The Council’s Budget 2015/16 and Medium Term Financial Plan 2015/16 – 2017/18 report recognised that market opportunities to purchase properties through normal sale/negotiation, submission of bids or bids at auction were likely to arise, often at short notice and that the Housing Initiatives Reserve (HIR) within the Housing Revenue Account (HRA) could be applied to these opportunities where they represent good value for money or otherwise improve the housing stock.
- 2.2 On the basis of this, Cabinet agreed to delegate to the Director of Finance, Housing and Community, in consultation with the Portfolio Holder for Corporate Resources

and Performance, approval of offers, tenders or bids for the purchase of properties on the open market or at auction, in order to respond to market opportunities.

2.3 6 Huron Terrace is a 3-bedroom maisonette that was purchased from the Council under the Right to Buy scheme. The property recently came onto the market and an officer from the Council's Property Services Team carried out a survey of the property and confirmed it would meet the Council's requirements. Following consultation with the Portfolio Holder for Corporate Resources and Performance, an offer of £130,000 was made and subsequently accepted by the vendor. The Estate Valuation Manager considers the price offered represents good value for money and a decision needs to be taken to proceed with the purchase.

2.4 Once purchased the intention is to let the property.

### 3. Identification of Options

3.1 Option 1: Purchase 6 Huron Terrace, Dover

3.2 Option 2: Not purchase 6 Huron Terrace, Dover

### 4. Evaluation of Options

4.1 Option 1 is the recommended option. The purchase price represents good value for money compared to the cost of a new build property and will increase the Council's Housing stock to meet housing need.

4.2 Option 2 is not recommended as it fails to take advantage of a good opportunity to increase the housing stock to help meet housing need.

### 5. Resource Implications

5.1 The cost of purchasing the property will be met from a combination of HIR funds and the excess Right to Buy receipts which are ring-fenced for 'one for one' affordable housing replacement. This will help ensure the Council maximises the spend of RTB receipts before their 'use by' date. The rent income from the property will be credited to the HRA.

5.2 It is expected that the properties will generate a gross rent income of £4,807.40 per annum and on this basis the investment should be repaid within 28 years.

### 5.3 Corporate Implications
