9 STANDARDS COMMITTEE CASE NO SC050

The Sub-Committee was reminded that, at its meeting held on 27 January 2011, it had decided to defer consideration of the subject member's request to have the hearing postponed, in order for the subject member to be invited to attend a further meeting on 28 February 2011 to make representations and provide medical evidence in support of his request. However, following the death of the subject member on 7 February 2011, it was necessary for the Sub-Committee to consider what action should now be taken.

- RESOLVED: (a) That, in view of the death of the subject member, it would no longer be appropriate to continue with the hearing.
- (b) That the complainant and Deal Town Council be notified accordingly.

The meeting ended at 6.12 pm.
