**Large print copies of this agenda can be supplied on request.**

**Declarations of Interest**

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

## 103 COMMUNICATION AND ENGAGEMENT UPDATE

The Committee received a Communication and Engagement Update presented by the Head of Communication and Engagement, the Funding and Communication Manager and the Community Development Manager.

A presentation was shown to the Committee and set out the service priorities as followed:

### Community Services

- The development of strong, sustainable communities
- To support communities to help themselves
- To support young people into the workplace
- To inform and engage people about services and projects
- To secure external funding to support key projects
- To deliver a cost-effective service

### Communication Strategy

- Providing effective communication, tailored to individual needs
- Promoting engagement with council business
- Promoting community cohesion
- Promoting new investment – Invest in Dover
- Promoting skills – Skills4Dover, Jobs Fair
- Promoting the district as a great place to live, work and play
- Crisis communication

### Community Development

- Building capacity within our communities so that they are better equipped to support themselves
  - skills and resources to organise and run events
  - engage and co-ordinate volunteers
  - establish new community groups
  - identify and apply for funding
  - access training, etc.
- Working with Members to support communities to deliver services or events
- Take suggestions and advice from members in relation to community services e.g. Snow Wardens

Members and officers discussed various projects the teams had been involved in which included the Jobs Fair and grants presentations which members welcomed and congratulated officers on the success of the events. The Community Development team were involved in 46 community projects and were pleased to have initiated the Inspire Fund which had been established to provide funding support to help young people who were facing challenges by helping them to create

new friendships, introduce them to healthy lifestyles through sport, and open new doors into work with opportunities to learn new skills. The Inspire Fund was evidence of the success of the recently merged Community Safety and Community Development teams by providing intervention and prevention in its approach.

Funding was available to communities and groups for various projects and Members were encouraged to subscribe to Keep Me Posted to get regular updates on funding opportunities and to help share knowledge of the funding opportunities available to the groups. The Funding and Communication Manager was available if Members or the public had any project ideas that they would like to discuss and to be assessed for funding.

The Committee was informed that Dover District Council had the biggest social media following in East Kent. The Keep Me Posted platform, which provided news and alerts by email, had in excess of 50 topics to subscribe to and 60k subscribers. The success of Keep Me Posted and other social media platforms could be monitored and assessed through the growth of subscriptions and social media followers as well as gathering information on the length of time of each visit to a page and further navigation from a page which was valuable in assessing public engagement.

In addition, the social media platforms and Keep Me Posted emails kept subscribers informed of upcoming council meetings and agendas. Councillor L A Keen was encouraged by the public attendance and engagement at Parish Council meetings in Aylesham and that the PC's paper newsletter helped to communicate this information to residents regularly. Members were keen to encourage more public attendance and participation at meetings of DDC and being mindful that not all residents had access to social media it would benefit from the same method of communication to its residents. Officers highlighted the cost implications this would have and that social media communication was instant, cost effective and could reach thousands of engaged residents. As a cost effective resolution members requested that Cabinet consider the possibility of including DDC contact details and social media links within the council tax bill sent annually to all residents to encourage public engagement at meetings and events.

Councillor Keen wanted to have newsletters, leaflets and surveys available to the public in the reception area of the DDC offices to measure the public's satisfaction and effectiveness of the communication they receive. The Head of Communication and Engagement was aware that East Kent Services, who ran the reception area, already distributed surveys to visitors and would ask them to provide feedback on the quantity and comments received.

**RESOLVED:** That the Scrutiny (Community and Regeneration) Committee recommend to Cabinet that officers be requested to look into including information on the various ways the public can contact the council and the services it provides with the council tax bill sent to all residents annually.

The meeting ended at 7.47 pm.
