Declarations of Interest

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

34 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 - APPLICATION TO TRANSFER A HACKNEY CARRIAGE LICENCE TO A VEHICLE THAT IS OUTSIDE OF POLICY GUIDELINES

The Licensing Team Leader presented the report to the Committee. An application from Mr M Oatridge had been received asking for permission to licence a Peugeot Partner, registration plate SF12 LHL, as a Hackney Carriage vehicle and would be transferred onto an existing hackney carriage licence (HV032) if permission were granted. The vehicle was outside of the current vehicle age policy being registered on 30 June 2012 and was referred to the Committee for a decision.

The Committee withdrew to examine the vehicle accompanied by the applicant and officers. It was a well-maintained vehicle and had four passenger seats as well as being wheelchair accessible. The vehicle was used for hackney carriage customers as well as Kent County Council schools' contracts passengers.

In accordance with the approved procedure, members of the committee and the legal officer withdrew from the meeting to consider the application.

RESOLVED: That, due to the need for more wheelchair accessible vehicles, and notwithstanding the Council's current policy guidelines, Mr M

Oatridge be granted the transfer of Hackney Carriage Vehicle Licence HV032 onto Peugeot Partner, registration plate SF12 LHL and that any further applications for the vehicle can be dealt with the Licensing Team Leader.

35 EXCLUSION OF THE PRESS AND PUBLIC

It was moved by Councillor D P Murphy, duly seconded and

RESOLVED: That, under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting for the remainder of the business on the grounds that the items to be considered involved the likely disclosure of exempt information as defined in paragraph 1 of Part I of Schedule 12A of the Act.

36 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 - TO CONSIDER IF A DRIVER IS A FIT AND PROPER PERSON TO HOLD A JOINT HACKNEY CARRIAGE AND PRIVATE HIRE DRIVERS' LICENCE

The Committee considered the report of the Licensing Team Leader in which Members were asked to consider a Dover district licensed driver's suitability as a fit and proper person to hold a Joint Hackney Carriage and Private Hire Drivers' Licence.

Following a change of provider for DVLA checks, a discrepancy was found between the information provided on the driver's application form and that compiled by the new provider. The Licensing Team Leader invited the driver to the Council offices to discuss the conviction disclosed by the DVLA check and the driver's failure to include this information in their application.

In accordance with the approved procedure Members offered the driver the opportunity to present evidence concerning the incident and the reasons for the non-disclosure of the conviction on the consent form.

The meeting was adjourned at 10.37am for the Contentious and Regulatory Lawyer to seek clarity from the driver regarding dates and the sequence of events relating to the conviction and DVLA driving ban. The Committee reconvened at 11.06am and the Contentious and Regulatory Lawyer summarised what had been discussed and the driver confirmed that the summary given was an accurate account.

The Committee withdrew to consider the evidence given and upon resuming the meeting the Contentious and Regulatory Lawyer advised of the decision the Committee had reached.

RESOLVED: (a) That, having considered the account of the licensed driver and his failure to disclose his conviction, the Committee considered he remained a fit and proper person to hold a licence and as a result would not revoke or suspend the driver's licence.

(b) That 10 penalty points (as set out in the Council's Taxi policy) be imposed on the driver's Dover District Council (DDC) Joint Hackney Carriage and Private Hire Drivers' Licence on the basis that information had been withheld in order to obtain a licence.

- (c) That within seven days of this meeting, the driver must produce a copy of his insurance certificate to the Licensing Team.
- (d) That within 14 days of the insurance renewal (which the driver stated was in two months' time), the driver must provide the new insurance certificate to the Licensing Team or provide written confirmation that the taxi operator now insures the driver.
- (e) That any complaints received within the next 12 months involving the driver will be brought back before the committee.

The meeting ended at 11.35 am.

2. Members of the Committee are, as a general rule, expected to ask questions of the various parties in accordance with this procedure. This should be permitted by the Chairman provided that the question is relevant and is conducive to the proper conduct of the hearing. Where additional questions are permitted after the Applicant's case has been summed up, the Applicant or his/her representative will always be given the final right of reply.

3. Under no circumstances must the parties or their witnesses offer members of the Committee information in the absence of the other party. Similarly Members must not attempt to gain information from any party at the hearing in the absence of the other. These are essential requirements of the proper application of the rules of natural justice.

4. The Chairman may vary this procedure as circumstances require but having full regard to adhering to the rules of natural justice.

Subject:	LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 – APPLICATION TO RENEW A PRIVATE HIRE LICENCE FOR A VEHICLE THAT IS OUTSIDE OF POLICY GUIDELINES
Meeting and Date:	Regulatory Committee – 17 March 2020
Report of:	Licensing Team Leader
Classification:	Unrestricted

Purpose of the report:	To consider an application to renew a private hire licence for a vehicle, that is outside of policy guidelines
------------------------	---

1. Summary

1.1 Mr Gary Gasking of Deal, Kent has submitted an application to the Council to renew the private hire vehicle licence for a Peugeot Partner, which falls outside of the current vehicle age policy, being registered on 8 October 2009. The vehicle GF59 DYU has 4 passenger seats.

2. Introduction and Background

2.1 The regulation of Hackney Carriage & Private Hire Vehicles is a statutory duty of the Council under the provisions of the Town Police Clauses Act 1847 and the Local Government (Miscellaneous Provisions) Act 1976.

2.2 The Dover District Council Hackney Carriage and Private Hire Policy states in paragraph 2.4.2 that:

“No application for the renewal of a hackney carriage or private hire vehicle licence will be granted if the vehicle, when application is made, exceeds 8 years of age”.

and at paragraph 2.4.5:

“The Licensing Team Leader has delegated authority to extend the time limits set out above for prestige or exceptionally well-maintained vehicles by a maximum of two further years”.

2.3 In 2018 and 2019, the vehicle was approved to continue by the Licensing Team Leader, but now that the vehicle has reached 11 years of age, there is no delegated authority to do so.

2.4 Applicants wishing to licence vehicles outside of the policy should show sufficient reason for the Council to deviate from agreed policy.

2.5 The vehicle was first registered on 8 October 2009 and therefore falls outside of the current vehicle age policy. The vehicle has covered mileage of 233,117 miles at the time of the application. It has been a licensed vehicle with Dover District Council since 2010.

2.6 The vehicle has been inspected by the Licensing Enforcement Officer and was found to be in average condition.

3 **Identification of Options**

Options:

- (a) To allow the application for the renewal of the Private Hire vehicle licence, notwithstanding that this would be a deviation from the existing vehicle age policy.
- (b) To reject the application as there are insufficient reasons to justify a deviation from existing policy.

4 **Evaluation of Options**

Options:

- (a) The vehicle is over the age defined in the policy for the renewal of a vehicle licence. However, Mr Gasking is requesting that the Committee consider whether the vehicle could be licensed as he has been unable to find a replacement vehicle within budget that has the required horse power.
- (b) If such a deviation from policy were allowed then it would be necessary to make it clear that this was an exceptional circumstance and that under normal circumstances such a deviation would not be considered.
- (c) If the Committee felt that there were insufficient reasons to deviate from the Policy, then the application should be refused.

5 **Resource Implications**

There are no resource implications arising from this report.
