Access to Meetings and Information

- The Local Authorities and Police and Crime Panels (Coronavirus) (Flexibility of Local Authority and Police and Crime Panel Meetings) (England and Wales) Regulations 2020 have changed the basis of the public's legal right to attend meetings. This means the public now has the right to hear Councillors attending the remote committee meeting that would normally be open to the public to attend in person. It is the intention of Dover District Council to also offer the opportunity for members of the public to view, as well as hear, remote meetings where possible. You may remain present throughout them except during the consideration of exempt or confidential information.
- Agenda papers are published five clear working days before the meeting. Alternatively, a limited supply of agendas will be available at the meeting, free of charge, and all agendas, reports and minutes can be viewed and downloaded from our website www.dover.gov.uk. Minutes will be published on our website as soon as practicably possible after each meeting. All agenda papers and minutes are available for public inspection for a period of six years from the date of the meeting.
- If you require any further information about the contents of this agenda or your right to gain access to information held by the Council please contact Jemma Duffield, Democratic Services Officer, telephone: (01304) 872305 or email: democraticservices@dover.gov.uk for details.

Large print copies of this agenda can be supplied on request.

Declarations of Interest

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

48 DELEGATIONS IN RESPECT OF PROPOSED PAVEMENT LICENCES

The Solicitor to the Council presented the report to the Committee. The report provided members with the actions required should the recently introduced Business and Planning Bill (introduced to support economic recovery and growth as the UK recovered from the disruption caused by Covid-19) receive Royal Assent and Pavement Licences be introduced.

As the draft legislation made no reference as to whether Pavement Licences would be a function to be discharged by the Executive or Council and to ensure that the functions could be discharged in a timely way, it was necessary to request the Regulatory Committee to make delegations to officers should the Bill, when law, make Pavement Licences a Council function rather than an Executive function.

RESOLVED: That on the Business and Planning Bill becoming law, the following officers be authorised to exercise the powers and functions of the Council set out in the table below

Delegation to: Head of Regulatory Services
Public Protection Manager
Licensing Team Leader

1. The opportunities given to the parties within this procedure to ask questions should be used only for that purpose - to ask questions. The person asking the question will not be allowed to use this right as an opportunity to make statements.

2. Members of the Committee are, as a general rule, expected to ask questions of the various parties in accordance with this procedure. However circumstances may arise where it is desirable for a Member to seek immediate clarification or a point made by a witness or by a party during the course of giving evidence, answering questions being put to him by another party or making a submission. This should be permitted by the Chairman provided that the question is relevant and is conducive to the proper conduct of the hearing. Where additional questions are permitted after the Applicant's case has been summed up, the Applicant or his/her representative will always be given the final right of reply.

3. Under no circumstances must the parties or their witnesses offer members of the Committee information in the absence of the other party. Similarly Members must not attempt to gain information from any party at the hearing in the absence of the other. These are essential requirements of the proper application of the rules of natural justice.

4. The Chairman may vary this procedure as circumstances require but having full regard to adhering to the rules of natural justice.
