

Public Document Pack

DOVER JOINT TRANSPORTATION ADVISORY BOARD

White Cliffs Business Park Dover Kent CT16 3PJ

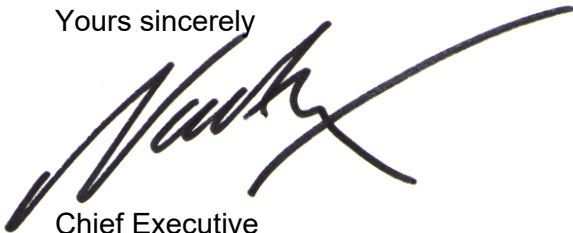

29 November 2022

Dear Councillor

NOTICE IS HEREBY GIVEN THAT a meeting of the **DOVER JOINT TRANSPORTATION ADVISORY BOARD** will be held in the Council Chamber at these Offices on Thursday 8 December 2022 at 6.00 pm when the following business will be transacted.

Members of the public who require further information are asked to contact Democratic Services on (01304) 872303 or by e-mail at democraticservices@dover.gov.uk.

Yours sincerely

Chief Executive

Dover Joint Transportation Advisory Board Membership:

Dover District Council Members

J S Back (Chairman)
M Bates
E A Biggs
D G Cronk
J P Haste
M F Hibbert
N S Kenton

Kent County Council Members

S C Manion (Vice-Chairman)
D G Beaney
T A Bond
S S Chandler
N J Collor
D P Murphy
O C de R Richardson

Town Councils and Kent Association of Local Councils (non-voting)

Mr B W Bano (Deal Town Council)
Mrs P M Brivio (Dover Town Council)
Mr P Carter (Sandwich Town Council)
Mr K Gowland (Kent Association of Local Councils)
Mr A P Minns (Kent Association of Local Councils)

AGENDA

1 **APOLOGIES**

To receive any apologies for absence.

2 **APPOINTMENT OF SUBSTITUTE MEMBERS**

To note appointments of Substitute Members.

3 **DECLARATIONS OF INTEREST** (Page 4)

To receive any declarations of interest from Members in respect of business to be transacted on the agenda.

4 **MINUTES** (Pages 5-8)

To confirm the attached minutes of the meeting of the Board held on 30 June 2022.

PART A

5 **BUS SERVICES** (Pages 9-14)

1. To consider the attached report from KCC Highways responding to a 1,200-signature petition received regarding bus services
2. To receive comments from Stagecoach (attendee(s) to be confirmed)
3. Speakers - Cllr Linda Keen (District Councillor for Aylesham, Eythorne & Shepherdswell)
Cllr Malcolm Ledger (Chairman of Eythorne Parish Council)
Cllr Jamie Pout (Chairman of Aylesham Parish Council)
4. Members' questions and debate

6 **HIGHWAYS FORWARD WORKS PROGRAMME 2022/23 AND 2023/24** (Pages 15-34)

To note the attached report of the Director of Highways and Transportation, Kent County Council.

Access to Meetings and Information

- Members of the public are welcome to attend meetings of the Council, its Committees and Sub-Committees. You may remain present throughout them except during the consideration of exempt or confidential information.
- All meetings are held at the Council Offices, Whitfield unless otherwise indicated on the front page of the agenda. There is step free access via the Council Chamber entrance and an accessible toilet is available in the foyer. In addition, there is a PA system and hearing loop within the Council Chamber.
- Agenda papers are published five clear working days before the meeting.

Alternatively, a limited supply of agendas will be available at the meeting, free of charge, and all agendas, reports and minutes can be viewed and downloaded from our website www.dover.gov.uk. Minutes will be published on our website as soon as practicably possible after each meeting. All agenda papers and minutes are available for public inspection for a period of six years from the date of the meeting.

- In order to facilitate the broadcast of meetings there have been cameras set up in the Council Chamber that communicate with Microsoft Teams Live. This enables meetings held in the Council Chamber to be broadcast for public viewing through the Council's website.

The meetings in which these cameras will be used include meetings of: (a) Council; (b) Cabinet; (c) Dover Joint Transportation Advisory Board; (d) General Purposes Committee; (e) Electoral Matters Committee; (f) Governance Committee; (g) Planning Committee; (h) General Purposes Committee and (i) Overview and Scrutiny Committee. Only agenda items open to the press and public to view will be broadcast.

- These recordings will be retained for 30 days from the date of the meeting. The recordings will be uploaded to YouTube as soon as practicable after the day of the meeting. In normal circumstances this would be within 2 working days of the meeting. However, there may be circumstances where it will take longer. The recordings can be viewed on the Council's YouTube Channel - [Council meetings - YouTube](#)
- Members of the Board may receive confidential information relating to personal data as part of an item of an exempt or confidential business on the agenda. It is each Member's responsibility to ensure that this information is handled securely and confidentially as required under data protection legislation. This information must only be retained for as long as necessary and when no longer required disposed of via a shredder or the Council's secure disposal arrangements.

For further information about how this information should be processed, please view the Council's Data Protection Policy and Appropriate Policy Document at www.dover.gov.uk/Corporate-Information/PDF/Data-Protection-Policy.pdf

- Agenda papers are published five clear working days before the meeting. Alternatively, a limited supply of agendas will be available at the meeting, free of charge, and all agendas, reports and minutes can be viewed and downloaded from our website www.dover.gov.uk. Minutes will be published on our website as soon as practicably possible after each meeting. All agenda papers and minutes are available for public inspection for a period of six years from the date of the meeting.
- If you require any further information about the contents of this agenda or your right to gain access to information held by the Council please contact Democratic Services, democraticservices@dover.gov.uk, telephone: (01304) 872303 or email: democraticservices@dover.gov.uk for details.

Large print copies of this agenda can be supplied on request.

Declarations of Interest

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

Minutes of the meeting of the **DOVER JOINT TRANSPORTATION ADVISORY BOARD** held at the Council Offices, Whitfield on Thursday, 30 June 2022 at 6.00 pm.

Present:

Chairman: Councillor J S Back

Councillors: M Bates
T A Bond
N J Collor
D G Cronk
J P Haste
M F Hibbert
N S Kenton
S C Manion
O C de R Richardson

Also present: Mr R S Walkden (Dover Town Council)
Mr P Carter (Sandwich Town Council)
Mr K Gowland (Kent Association of Local Councils)

Officers: Highway Manager (Dover) (Kent County Council Highways)
(attended remotely)
Head of Commercial Services
Transport and Parking Services Manager
Parking Operations Manager
Democratic Services Officer

90 CHAIRMAN'S ANNOUNCEMENT

The Chairman announced that Item 12 (Proposed Revision of Zone H Residents' Permit Parking Scheme) had been withdrawn from the agenda.

91 APOLOGIES

It was noted that apologies for absence had been received from District Councillor E A Biggs, Dover Town Councillor P M Brivio and Mr A P Minns (Kent Association of Local Councils).

92 APPOINTMENT OF SUBSTITUTE MEMBERS

It was noted that Dover Town Councillor R S Walkden was the nominated substitute for Councillor P M Brivio.

93 DECLARATIONS OF INTEREST

There were no declarations of interest.

94 MINUTES

The minutes of the meeting held on 10 March 2022 were approved as a correct record and signed by the Chairman.

95 RECEIPT OF PETITION IN RESPECT OF ST LEONARD'S ROAD, DEAL

Mr Anthony Hoad presented a petition in respect of St Leonard's Road, Deal which was received by the Chairman.

96 HIGHWAY FORWARD WORKS PROGRAMME 2021/22 AND 2022/23

The Highway Manager (Dover) (HM) presented the report. She advised that the works detailed in Appendix A had all been completed save for surface dressing at Eastry on the Sandwich bypass. Referring to Appendix J, she advised that a lot of the works would involve road closures and inevitably cause some disruption.

In response to Councillor D G Cronk, the HM confirmed that she was aware of the issues at The Strand, Walmer the previous weekend. She understood that the work had been rescheduled due to the weather and had clashed with the Clifftop Challenge. The re-tarmacking work had now been completed. In respect of charging points in garages, she advised that Kent County Council's focus was to install charging points in car parks and off street. She was not aware of legislation that permitted charging spaces to be allocated to specific houses nor of discussions being held with Shell or BP. She clarified that when tarmacking was carried out, the road would be left for at least 14 days (with loose material on top) before any new lines were marked out. She promised to follow this up.

In response to Councillor P Carter, she undertook to find out timings in respect of the externally funded schemes listed in Appendix D for Sandwich. Councillor J P Haste mentioned the entrance to new housing at the top end of Coombe Valley Road near the roundabout which needed resurfacing. He also mentioned several serious accidents having occurred at MacDonald Road caused by cars parked on corners obscuring visibility. The HM advised that the resurfacing of the entrance would normally be the developer's responsibility but agreed to check. With regards to MacDonald Road, she commented that Blue Badge holders had discretion to park on double yellow lines but were still expected to park safely. She suggested that accidents caused by irresponsible parking should be reported to the police.

The HM undertook to send Councillor T A Bond the dates of road closures at St Leonards Road, Allenby Avenue, Park Road, etc in Deal. It would be a rolling programme of closures and they would not all be closed at the same time and for 25 days. She confirmed that she had received an e-mail from Councillor M F Hibbert which would require a long reply.

RESOLVED: (a) That the Highway Manager be requested to: (a) advise further regarding electric vehicle charging points, resurfacing of development entrance in Coombe Valley Road, road closures in Deal and externally funded schemes in Sandwich in Appendix D of the report; and (b) follow up the re-lining of The Strand, Walmer.

(b) That the report be noted.

97 BRIDGESIDE, DEAL: PROPOSED EXTENSION OF ZONE P RESIDENTS' PERMIT PARKING SCHEME

The Transport and Parking Services Manager introduced the report which outlined proposals to extend a residents' permit parking scheme at Bridgeside, Deal. The proposals had been the subject of informal consultation and formal consultation would now be undertaken if recommended by the Board. She clarified that permit charges would depend on a vehicle's emissions rating such that the charge for an

electric vehicle would be the lowest at £35 per annum. Some Members expressed reservations about this model of charging which was unfair to residents when visitors were not charged on the basis of their vehicles' emissions. The Head of Commercial Services advised that emissions-based charging had already been agreed by Cabinet. However, it would be kept under review and was due to be discussed later in the year.

RESOLVED: (a) That it be recommended that the existing Zone P residents' permit parking scheme for Bridgeside, Deal be extended to various other roads in the area, including Sutherland Road, Albert Road, Church Path, Middle Deal Road and Matthews Close, and taken to formal consultation.

98 SANDWICH: PROPOSED REVISION OF RESIDENTS' PARKING PERMIT PARKING SCHEME TIMES

The Parking Operations Manager (POM) advised Members that the proposal to change the times of the Zone J residents' permit parking scheme in Sandwich, as set out in the report, was being withdrawn following informal consultation. The proposal would not be progressed due to opposition from a majority of residents.

RESOLVED: That it be recommended that the proposal to change the times of the Zone J residents' permit parking scheme in Sandwich is not progressed.

99 DORMAN AVENUE SOUTH, AYLESHAM: PROPOSED REVISION OF DOUBLE YELLOW LINE PARKING RESTRICTIONS

The POM introduced the report, advising that the proposal had come about as a result of concerns raised by Aylesham Parish Council and local residents regarding vehicles parking inappropriately.

RESOLVED: That it be recommended:

- (a) That the existing double yellow lines parking restrictions be extended to allow safer entry/egress from Dorman Avenue South and Market Place.
- (b) That corner protection restrictions on Milner Crescent and Hyde Place be extended and installed on to Dorman Avenue South.
- (c) That double yellow lines be installed at the entrance to Greyhound Gardens.

100 LONDON ROAD, RIVER: PROPOSED REVISION OF CURRENT PARKING AREA

The POM presented the report, confirming that the proposal would not affect the zig-zag lines next to the zebra crossing.

RESOLVED: It was agreed to recommend that the proposed 'Loading Only' bay restriction be introduced.

101 PROPOSED REVISION OF RESIDENTS' PERMIT PARKING SCHEME TO INSTALL CASHLESS PAY FOR PARKING IN COOMBE VALLEY ROAD, MACDONALD ROAD AND LAMBTON ROAD, DOVER

The POM presented the report which outlined proposals to introduce cashless payment for on-street parking in Coombe Valley, MacDonald and Lambton Roads which were situated opposite Buckland Hospital in Dover. Councillor Bond expressed concerns that, due to the location, it was likely to be the elderly who were more unfamiliar with cashless parking that would be most affected by the proposal. The POM advised that there was the option of using the hospital's Pay and Display car park for those without a mobile phone or unfamiliar with cashless parking. Councillor N J Collor commented that the proposed parking charges were considerably cheaper than the hospital car park so would not discourage visitors from parking in residents' spaces. He hoped there would be an increase in parking enforcement in that area to tackle the problem.

The POM reassured Members that the parking enforcement team was doing all it could to ensure that all areas were patrolled. However, the team was currently short of three staff. The Transport and Parking Services Manager advised that the Council was in the process of recruiting more staff but there appeared to be a nationwide problem. Councillor M Bates advised that payment could be made using any type of mobile phone. Officers were aware of the disparity between the on-street and hospital car park charges and would review them once the proposal was in operation. He clarified that the proposal would be subject to formal consultation. In response to a query from Councillor Cronk, the POM clarified that there would be no machines and that payment could only be made over the phone.

RESOLVED: That it be recommended that Cashless Parking (RingGo) be introduced into the existing residents' permit parking scheme in Coombe Valley Road, MacDonald Road and Lambton Road.

102 DOVER: PROPOSED REVISION OF RESIDENTS' PERMIT PARKING SCHEME TIMES

The POM presented the report which detailed proposals to change the restriction times of Zones A to G residents' permit parking schemes. The proposal had been the subject of informal consultation and, if recommended by the Board, would now undergo formal consultation.

RESOLVED: That it be recommended that the existing Zones A to G residents' permit parking schemes restriction times be changed from 8.30am-5.30pm to 7.00am-8.00pm and taken to formal consultation.

The meeting ended at 6.53 pm.

This report makes the following recommendations: for information only

Timetable	
<i>Meeting</i>	<i>Date</i>
Dover Joint Transportation Advisory Board	8 December 2022

Petition - Save Rural Bus Routes in Dover District

1. ORIGIN OF REPORT

- 1.1 Report provided in response to a petition received with 1200 signatures "Save Rural Bus Routes in Dover" due to be debated at Dover Joint Transportation Advisory Board.

2. PURPOSE OF REPORT AND EXECUTIVE SUMMARY

- 2.1 The report provides the operating and commercial context affecting the bus industry across the UK including; the impact of the pandemic on bus use, skilled driver shortage, increased fuel cost and other overheads and places this in a local context specifically identifying the impacts on services operating within Dover District.
-

3. INTRODUCTION AND BACKGROUND

3.1 Background

- 3.1.1 The pandemic has had a profound use on Public Transport across the UK. Since the UK went into lockdown in March 2020, a combination of home working, school closures and guidance to avoid the use of Public Transport has resulted in a volatile period of few passenger journeys and operators and local authorities having to react to Public Health Guidance and changing passenger demands.
- 3.1.2 Bus use in Kent, as with rest of the UK has only partially recovered and currently it is estimated that use of buses stands at around 70% of pre-pandemic levels, with the use in the off-peak being closer to half of what it was prior to the pandemic. At the same time, bus operators are facing other financial and operational pressures notably in respect of increasing fuel and driver costs and a shortage of skilled drivers and engineering staff.
- 3.1.3 Throughout the pandemic and to date, levels of service are only being sustained because of financial support being provided by Government, currently in the form of Local Transport Fund (LTF) and the continued payment of concessionary travel (the older persons bus pass and KCC Travel Saver) reimbursement assuming pre-pandemic levels of use.
- 3.1.4 Concessionary Travel Payments are now being made on a sliding scale reducing them to reflect actual use, thus reducing the income received by operators. At the same time LTF finishes at the end September and linked to this, operators have been tasked by the Department for Transport with reviewing their network and reducing it to a sustainable level taking account of all factors, notably the end of support funding.

Commercial response by operators

- 3.2.1 Bus services operate in a de-regulated, privatised environment where operators match service levels and fares to demand and costs in order that services are sustainable. They are not obliged to provide any service or journey empowering them to react to changes to the commercial or operating environment.
- 3.2.2 To change or cancel a bus service, operators must follow an administrative (registration) process which gives advance notice to the Department for Transport and to the Local Transport Authority. KCC are therefore starting to see the registrations relating to service changes linked to the LTF network review which are likely to come into effect around October. A summary of all major Stagecoach changes in the Dover District is attached as an appendix.

KCC position

- 3.3.1 The financial support of bus journey is a discretionary activity and as a consequence, in recent years many Local Transport Authorities have reduced or stopped funding this area. KCC has managed to protect its supported bus network and funding during this time but the pressures on the budget mean that the Public Transport team are currently working to deliver a range of savings which include a £2.2m reduction in the supported bus budget.
- 3.3.2 Ordinarily, in response to the withdrawal of a service by a bus operator, KCC would consider if funding could be provided to sustain or replace it, if necessary cancelling the funding of something with lesser priority to afford it. However, the reduction in the bus budget is such that there is not the capacity to consider this and any arguably less vital services are also already proposed for withdrawal.
- 3.3.2 As such, KCC are not able to directly intervene and replace services that are being affected. The Public Transport team are working with operators to identify opportunities for them to provide replacement services and this is arriving at solutions in some instances. However, the current climate means that alternative services will not be possible in all instances and ultimately the majority of services identified for withdrawal will stop without direct replacement. KCC are maintaining up to date information about all changes and any alternative solutions on the [kent.gov](http://www.kent.gov.uk) web pages.

-----	----------	---------------------	---------------------

To: Dover Joint Transportation Advisory Board
By: KCC Highways and Transportation
Date: 8 December 2022
Subject: Highways Forward Works Programme: 2022/23 and 2023/24
Classification: Information Only

Summary: This report updates Members on the identified schemes approved for construction.

1. Introduction

This report provides an update and summarises schemes that have been programmed for delivery in 2022/23 and 2023/24.

In summer 2021 Kent County Council published a Highways Asset Management Plan (HAMP), which included, as Appendix C, a five-year Forward Works Programme for the years 2021/22 to 2025/26. This reflected the need to move away from annual programmes and to consider asset management activity a multi-year one.

The first part of the programme concerned the two years 2021/22 - 2022/23. Around half of the schemes included in that programme have now been delivered, and as a result we have now produced a new programme covering the years 2022/23 - 2023/24. As before, most of the sites included in this programme have already been verified by our engineers.

The second part of our programme related to years three to five of our five-year programme (2023/24 - 2025/26). This too needs revision to cover the years 2024/25 – 2026/27, and the work required to do this is currently in progress. As before, our new years three to five programme will be largely based on data from our asset management systems, so may be subject to more changes as the schemes are verified.

This programme is subject to regular review and may change for a number of reasons including budget allocation, contract rate changes, inflationary pressures such as material price increases, conflicting works, and to reflect our changing priorities. The programme and extent of individual sites within the programme may also be revised following engineering assessment during the design phase, and additional sites may be added or others advanced if their condition deteriorates rapidly so that we need to react in order to keep the highway in a safe and serviceable condition.

Further information about how we manage our highway infrastructure, including our county-wide five-year forward works programme, may be found on our website:

<https://www.kent.gov.uk/about-the-council/strategies-and-policies/transport-and-highways-policies/managing-highway-infrastructure>

In addition to planned maintenance of our highway assets, this report includes transportation and safety schemes, developer funded works, Combined Members Grant schemes, and planned maintenance of public rights of way.

Road, Footway & Cycleway Renewal and Preservation Schemes – see Appendix A

Drainage Repairs & Improvements – see Appendix B

Street Lighting – see Appendix C

Transportation and Safety Schemes – see Appendix D

- **Casualty Reduction Measures**
- **Externally Funded Schemes**

Developer Funded Works – see Appendix E

Bridge Works – see Appendix F

Traffic Systems – see Appendix G

Combined Members Grant – Member Highway Fund – see Appendix H

Street Works – See Appendix I

Publics Rights of Way – See Appendix J

Conclusion

1. This report is for Members' information.

Contact Officers:

The following contact officers can be contacted on **03000 418181**

Pauline Harmer	Senior Highway Manager East Kent
Stephanie Wadhams	Dover Highway Manager
Alan Casson	Strategic Asset Manager
Earl Bourner	Drainage Asset Manager
Helen Rowe	Structures Asset Manager
Sue Kinsella	Street Light Asset Manager
Toby Butler	Traffic Operations and Technology Manager
Jamie Hare	Development Agreements Manager
Nikola Floodgate	Road Safety and Active Travel Group Manager

Appendix A – Road, Footway and Cycleway Renewal and Preservation Scheme

The delivery of these schemes is weather dependent; should it prove not possible to carry out these works on the planned dates, new dates will be arranged, and the residents will be informed by a letter drop to their homes.

Road Asset Renewal Schemes – Contact Officer: Byron Lovell			
Road Name	Parish/Town	Extent of Works	Current Status
Folkestone Road	Dover	Approach to roundabout junction with York St	Programmed 30 th January 2023
Priory Rd	Dover	Approach to pedestrian crossing at Norman Street	Programmed 24 th January 2023
A258 Deal Road	St Margaret's at Cliffe	Station Road to The Animal Inn- Kennels	Programmed 14 th March 2023
Road Asset Preservation Schemes - Contact Officer: Jonathan Dean			
Micro Surfacing			
Road Name	Parish/Town	Extent of Works	Current Status
Sandwich Road (Holt Street)	Aylesham	From Vicarage Lane to Aylesham Road	Complete
New Dover Road	Capel-Le-Ferne	From Battle of Britain Memorial to Helena Road	Complete
London Road (River)	Dover	From Pilgrims Way to London Road Roundabout	Complete
Church Hill	Shepherdswell With Coldred	From Eythorne Road to Mill Lane	Complete
Lewisham Road	River	Minnis Lane to Crabble Lane	Complete
The Beach	Walmer	From Dover Road to Granville Road	Complete
The Strand	Walmer	From The Beach to Gladstone Road	Complete

Granville Road	St Margaret's At Cliffe	From Victoria Avenue to Bay Hill	Complete
Surface Dressing			
Road Name	Parish/Town	Extent of Works	Current Status
A256 Eastry Bypass	Sandwich	Northourne Road to Sandwich Road	Complete
Footway/Cycleway Asset Renewal & Preservation Schemes - <i>Contact Officer: Neil Tree</i>			
Road Name	Parish/Town	Extent of Works	Current Status
Dover Road	Sandwich	<u>Footway stabilisation works.</u> East footway between the level crossing and St. Bart's Road	Designed and to be programmed.
A257 Canterbury Road	Wingham	Bank stabilisation and highway remedial works at Wingham Bridge.	Completed
Queens Avenue	Dover	<u>Footway Reconstruction</u> Full Extent	Completed

Appendix B – Drainage Repairs & Improvements

Drainage Repairs & Improvements - Contact Officer Earl Bourner			
Road Name	Parish / Town	Description of Works	Current Status
Upper Road	St. Margarets	Flooding issues. Existing system cleaned and inspected but continues to be overwhelmed in very heavy rainfall.	Trial holes to locate services carried out in October 2022 to inform design. Results received, design work to progress considering the position of the services.
Broadsole Lane	West Hougham	Drainage improvements in relation to flooding and adjacent pond	Team leader and engineer to review options available then pass job to contractor – road closure will be required
London Road	River	Soakaway cleansing to prevent property flooding	Works completed
Hogbrook Hill Lane	Alkham	Clearance of sump and culvert adjacent to village hall	At design stage with engineer
St Nicholas Close	Deal	Following CCTV survey replacement of gully and defective pipework required	At design stage with engineer
Frederick Road	Deal	Following CCTV survey replacement of gully and defective pipework required	At design stage with engineer
James Hall Gardens	Walmer	Following CCTV survey replacement of gully and defective pipework required	At design stage with engineer
Warwick Road	Walmer	Following CCTV survey replacement of gully and defective pipework required	At design stage with engineer
London Road	River	Following cleansing and site inspection roots have been identified in line	Root cutting to be arranged
Station Road	St Margarets	Following cleansing and site inspection roots have been identified in line	Root cutting to be arranged

Appendix C – Street Lighting - Dover

Structural testing of KCC owned streetlights has identified the following as requiring replacement. A status of works completed identifies that the column replacement has been carried out. Programme dates are identified for those still requiring replacement.

Street Lighting Column Replacement – Contact Officer Sue Kinsella			
Road Name	Location	Description of Works	Status
London Road	Dover	Replacement of 3 streetlights complete with LED Lantern	Delayed due to engineering difficulties -columns have cranked root bases
Old Folkestone Road	Dover	Replacement of 1 streetlight complete with LED Lantern	Delayed due to engineering difficulties - unable to locate and isolate service supply
South Military Road	Dover	Replacement of 1 streetlight complete with LED Lantern	High Speed Road – awaiting road space
Honeywood Parkway	Dover	Replacement of 1 streetlight complete with LED Lantern	Delayed due to engineering difficulties - unable to locate and isolate service supply
Sandwich Bypass	Sandwich	Replacement of 4 Bollards complete with LED Lantern	Works Completed
New Dover Road	Dover	Replacement of 2 sign lights complete with LED Lantern	Works to be completed by March 2023
Ramsgate Road	Sandwich	Replacement of 1 streetlight complete with LED Lantern	High Speed Road – awaiting road space
Maynard Road	Dover	Replacement of 1 sign light complete with LED Lantern	Works to be completed by March 2023
Old Folkestone Road	Dover	Replacement of 12 streetlights complete with LED Lanterns	Works to be completed by March 2023
Marine Parade	Dover	Replacement of 1 Bollard	Works to be completed by March 2023
Mill Road	Deal	Replacement of 1 Bollard	Delayed due to engineering difficulties - unable to locate and isolate service supply
Crabble Hill	Dover	Replacement of 1 streetlight complete with LED Lantern	Works Completed
Snargate Street	Dover	Replacement of 2 streetlights complete with LED Lantern	Works Completed
Pencester Road	Dover	Replacement of 2 streetlights complete with LED Lantern	Works to be completed by Mar 23

Coniston Drive	Aylesham	Replacement of 1 streetlight complete with LED Lantern	Works Completed
Ullswater Gardens	Aylesham	Replacement of 1 streetlight complete with LED Lantern	Works Completed
Buttermere Gardens	Aylesham	Replacement of 1 streetlight complete with LED Lantern	Works Completed
Northbourne Road	Eastry	Replacement of 2 streetlights complete with LED Lantern	Road closure applied for - awaiting date
Cherry Lane	Eastry	Replacement of 2 streetlights complete with LED Lantern	Road closure applied for - awaiting date
Poulders Gardens	Sandwich	Replacement of 2 streetlights complete with LED Lantern	Works to be completed by March 2023
Deal Road	Sandwich	Replacement of 1 streetlight complete with LED Lantern	Works to be completed by March 2023
Dover Road	Sandwich	Replacement of 1 streetlight complete with LED Lantern	Works to be completed by March 2023
Granville Road	Deal	Replacement of 1 streetlight complete with LED Lantern	Works Completed
St Andrews Road	Deal	Replacement of 1 streetlight complete with LED Lantern	Works to be completed by March 2023
Sandown Road	Deal	Replacement of 2 streetlights complete with LED Lantern	Works Completed
London Road	Deal	Replacement of 1 streetlight complete with LED Lantern	Works Completed
Middle Deal Road	Deal	Replacement of 1 streetlight complete with LED Lantern	Works to be completed by March 2023
Delane Road	Deal	Replacement of 1 streetlight complete with LED Lantern	Works Completed
St Martins Close	Dover	Replacement of 1 streetlight complete with LED Lantern	Works Completed
