[This updated version of the Notice supersedes all other versions issued in previous months]

Publication Date: 2 September 2022

NOTICE OF FORTHCOMING KEY DECISIONS

The Notice of Forthcoming Key Decisions contains information about all the Key Decisions which the Leader of the Council believes will be taken by the Cabinet* within the next four months, as far as they are known. The notice is reviewed monthly and rolled forward for each subsequent four-month period. Each notice supersedes the previous one and will be published at least 28 clear days before Key Decisions are due to be made. Some Key Decisions taken by the Cabinet require referral to the full Council.

The definition of a Key Decision as outlined in the Constitution is any executive (i.e. Cabinet) decision that:

- Results in the Council incurring expenditure which is, or savings which are, significant (£200,000 or more) having regard to the Council's budget for the service or function to which the budget relates;
- Is significant in terms of its effects on communities living or working in an area comprising two or more wards in the District; or
- Has a particularly significant impact on any community as experiencing social exclusion or discrimination, whether geography or interest defines that community and even if that community is only located in one ward in the area of the local authority.

The Notice of Forthcoming Decisions has been prepared by the Leader in consultation with the Chief Executive and the Directors and also includes:

- Any executive decisions made in the course of developing or formulating proposals to the full Council to approve or adopt the Policy Framework or Budget. This includes decisions made to propose draft policies for the purpose of consultation; or
- Any executive decision relating to a significant amendment of the Council's Policy Framework or Budget (which is reserved in the Council's Constitution for determination by full Council on a recommendation from the Cabinet).

The Notice of Forthcoming Key Decisions is available for inspection by the public at the Council's offices and at all area offices and libraries in the District, and on the Council's website at www.dover.gov.uk. Subject to any prohibition or restriction on their disclosure, copies of, or extracts from, documents submitted to the decision-maker in relation to the decision may be requested from the address given below. In addition, the public may submit other documents relevant to the decision to the same address.

<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p>			
<p>Dover District Council has commissioned consultants to update the Indoor Sports Facility Strategy 2016. This document is used to guide potential decisions around rationalisation and investment; community use of school facilities; planning policy; encouraging greater flexibility of facility usage and determine strategic leisure objectives for the District that meets adopted planning policies and timelines for the emerging review of the District’s Local Plan. Consultation on the draft document will involve comprehensive engagement with stakeholders and members of the public, with a second report to Cabinet following analysis of the consultation results and their consideration in the final draft Indoor Sports Facility Strategy 2022.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>It is a statutory requirement to consult on a draft planning policy document before this can be formally adopted by the Council. A decision is required to seek permission to consult with stakeholders and the public on the draft Indoor Sports Facility Strategy 2022 so that representations can be considered before a final draft document is considered for formal adoption (probably November/December).</p>

Since that time 917 houses have been constructed and strategic infrastructure including construction and environmental improvements to Ratling Road has been delivered. The last major report to Cabinet was considered in July 2019 and it is therefore timely to provide an update about the project. In addition, the Council's development partners have requested a deed of amendment to the agreement, to accommodate delays caused by Natural England's objections to the most recent reserved matters applications regarding concerns over possible nitrate contamination at Stodmarsh nature reserve.</p>

The next stage in the process is the preparation and consultation on the Publication (Regulation 19) draft of the Local Plan. This is required to be subject to consultation for a minimum of 6 weeks. Following the consultation, the Plan will be submitted to the Secretary of State for examination.</p>			
<p>Deadline for Item:</p> <p>October 2022 – decision required to enable consultation to commence in October 2022. This will enable the Council to meet the deadline set by government for having an up-to-date Plan in place before the end of 2023.</p>

<p>Brief Details of Item:</p> <p>The Regulator of Social Housing, Tenant Involvement and Empowerment Standard requires registered providers of social housing to ensure that their tenants are given a wide range of opportunities to influence and be involved in their services. This includes opportunities to scrutinise their performance, be involved in the formulation of housing-related policies and strategic priorities and helping to make decisions about how housing-related services are delivered, including the setting of service standards. The draft Tenant Engagement Strategy sets out how Dover District Council intends to encourage tenants and leaseholders to engage with the housing service and the opportunities available for this.</p>			
<p>Deadline for Item:</p> <p>There is no specific deadline but for operational reasons it is important that the strategy is adopted as early as possible.</p>

<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>The Council is preparing a bid for the Levelling Up Fund (LUF) Round 2. As outlined in public engagement activities during the week commencing 13 June, the proposal comprises land assembly and regeneration at Bench Street, Dover. Outputs will include a circa 2,000m2 creative campus providing training opportunities in creative and digital industries, business, a circa 700m2 business centre providing flexible affordable facilities, expansion of the Dover Cycle Scheme, 450m2 of public Electric Vehicle parking and charging and 800m2 public open space.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>Any funding awarded through the LUF programme must be spent by March 2025, a challenging timescale for this ambitious project. A decision regarding the funding application is expected during autumn 2022, but it is necessary to select a procurement route for partner organisations and the professional consultant team in advance in order to ensure that the Council is in a position to appoint partners, consultants and contractors as quickly as possible.</p>

<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>Suppliers have been obliged to help low income, vulnerable and fuel poor households to achieve affordable warmth by providing contractors with funding to install energy efficiency/heating measures since 2013. A contractor to deliver measures on behalf of the energy suppliers was previously appointed through the Kent & Medway Sustainable Energy Partnership Framework. This framework no longer exists and Kent councils therefore need to make their own arrangements to enable referrals to be submitted to a contractor who holds ECO4 funding. This is a very valuable funding stream that enables low income, vulnerable and fuel-poor households to receive insulation/heating measures that will increase the energy efficiency of their properties, lower energy bills and reduce emissions.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>The Council has a statutory duty under the Home Energy Conservation Act to report on action taken to reduce levels of fuel poverty in the district. Therefore, it is beneficial with rising inflation and energy price hikes that agreement is made as soon as possible.</p>
