Declarations of Interest

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

Minutes of the meeting of the **REGULATORY COMMITTEE** held at the Council Offices, Whitfield on Tuesday, 4 June 2024 at 10.00 am.

Chairman: Councillor G Cowan

Councillors: J P Loffman

50 APPOINTMENT OF SUBSTITUTE MEMBERS

It was noted that, in accordance with Council Procedure Rule 4, Councillor S Hill was appointed substitute for Councillor P M Brivio.

51 DECLARATIONS OF INTEREST

There were no declarations of interest made by Members.

52 MINUTES

The Minutes of the meeting held on 16 April 2024 were approved as a correct record for signing by the Chairman.

53 EXCLUSION OF THE PRESS AND PUBLIC

It was moved by Councillor J P Loffman, duly seconded and

RESOLVED: That, under Section 100(A)(4) of the Local Government Act 1972, the public be excluded from the meeting for the remainder of the business on the grounds that the items to be considered involved the likely disclosure of exempt information as defined in paragraph 1 of Part I of Schedule 12A of the Act.

54 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 - APPLICATION FOR A DRIVERS' LICENCE

The Committee considered the report of the Licensing Manager on an application for a Joint Hackney and Private Hire Drivers' Licence. The application was referred to the Committee to determine whether the applicant was a Fit and Proper Person

to hold such a licence within the Dover district, in light of the applicant's previous convictions, which had been declared by the applicant.

In accordance with the approved procedure Members heard from the applicant and their representative. They heard from both in respect of the applicant's convictions, the age of those convictions and how their life had changed since and, their employment history including, experience with a delivery job. Due to family circumstances the applicant required some flexibility in their working hours and wanted to become a part time driver. The applicant explained to the Committee how they considered themselves to be a fit and proper person.

The applicant had applied for employment with a local taxi operator who had provided the applicant with details of the nature of the work involved, the safety provisions in all licensed vehicles (for the safety of both staff and customers) and was informed that calls to customers were periodically made to retrieve feedback.

The Committee withdrew from the meeting along with the Principal Lawyer - Litigation and Regulatory to consider its decision. Upon returning the legal advisor set out the Committee's considerations when determining whether they considered the applicant to be a fit and proper person and that included consideration of:

- the duty of the Licensing Authority when considering applications and the question 'without prejudice, and based on the information before you, would you allow a person for who you care, regardless of their condition, to travel alone in a vehicle driven by this person at any time of day or night?';
- that if the Committee was only 50/50 as to whether the applicant was fit and proper then a licence should not be granted;
- all relevant convictions could be taken into consideration when deciding whether an applicant is 'fit and proper'; and
- the Council's approach to convictions and cautions as set out within the Council's Policy and the specified minimum periods that should elapse before application set out therein.

Although the applicant's convictions were noted as a pattern of offending at that time, there was a significant passage of time since the convictions (exceeding the minimum period set out in the Council's Policy) and there had been no offending since, it was

**RESOLVED:** That the Committee is satisfied that the applicant is a Fit and Proper Person and that the application for a Joint Hackney Carriage and Private Hire Drivers' Licence be GRANTED for one year as sought.

The meeting ended at 10.26 am.

2. Members of the Committee are, as a general rule, expected to ask questions of the various parties in accordance with this procedure. However circumstances may arise where it is desirable for a Member to seek immediate clarification or a point made by a witness or by a party during the course of giving evidence, answering questions being put to him by another party or making a submission. This should be permitted by the Chairman provided that the question is relevant and is conducive to the proper conduct of the hearing. Where additional questions are permitted after the Applicant's case has been summed up, the Applicant or his/her representative will always be given the final right of reply.
3. Under no circumstances must the parties or their witnesses offer members of the Committee information in the absence of the other party. Similarly Members must not attempt to gain information from any party at the hearing in the absence of the other. These are essential requirements of the proper application of the rules of natural justice.
4. The Chairman may vary this procedure as circumstances require but having full regard to adhering to the rules of natural justice.
