Declarations of Interest

Disclosable Pecuniary Interest (DPI)

Where a Member has a new or registered DPI in a matter under consideration they must disclose that they have an interest and, unless the Monitoring Officer has agreed in advance that the DPI is a 'Sensitive Interest', explain the nature of that interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a DPI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation permitting them to do so. If during the consideration of any item a Member becomes aware that they have a DPI in the matter they should declare the interest immediately and, subject to any dispensations, withdraw from the meeting.

Other Significant Interest (OSI)

Where a Member is declaring an OSI they must also disclose the interest and explain the nature of the interest at the meeting. The Member must withdraw from the meeting at the commencement of the consideration of any matter in which they have declared a OSI and must not participate in any discussion of, or vote taken on, the matter unless they have been granted a dispensation to do so or the meeting is one at which members of the public are permitted to speak for the purpose of making representations, answering questions or giving evidence relating to the matter. In the latter case, the Member may only participate on the same basis as a member of the public and cannot participate in any discussion of, or vote taken on, the matter and must withdraw from the meeting in accordance with the Council's procedure rules.

Voluntary Announcement of Other Interests (VAOI)

Where a Member does not have either a DPI or OSI but is of the opinion that for transparency reasons alone s/he should make an announcement in respect of a matter under consideration, they can make a VAOI. A Member declaring a VAOI may still remain at the meeting and vote on the matter under consideration.

Note to the Code:

Situations in which a Member may wish to make a VAOI include membership of outside bodies that have made representations on agenda items; where a Member knows a person involved, but does not have a close association with that person; or where an item would affect the well-being of a Member, relative, close associate, employer, etc. but not his/her financial position. It should be emphasised that an effect on the financial position of a Member, relative, close associate, employer, etc OR an application made by a Member, relative, close associate, employer, etc would both probably constitute either an OSI or in some cases a DPI.

45 DECLARATIONS OF INTEREST

46 MINUTES

The Minutes of the meeting held on 19 March 2024 were approved as a correct record for signing by the Chairman.

47 LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976 - APPLICATION TO LICENCE VEHICLE OUTSIDE OF POLICY GUIDELINES

The Licensing Manager presented the report to the Committee. Mr Lee Calthorpe was seeking permission for the grant of a licence for his Skoda Octavia as a Private Hire vehicle. Due to the vehicle being registered on 31 May 2016 it was outside the current vehicle age policy (exceeding 5 years of age) and officer delegation (maximum of two further years) and was therefore referred to the Committee for its consideration.

The Committee withdrew to examine the vehicle accompanied by Mr Calthorpe and officers. Upon returning Mr Calthorpe had the opportunity to answer questions from Members about the condition and history of the vehicle. The vehicle, registration GD16 XSY was a four-passenger seat vehicle to be used for private hire within the Dover district and beyond. The vehicle had been used as a licensed taxi from new and was taken out of service during Covid in 2020 when there was a lack of drivers and need for the car. Mr Calthorpe explained that enquiries for work were now

increasing from drivers and to be able to offer drivers this vehicle would prevent a risky financial commitment purchasing a new car - some drivers did not stay long, others did stay and got their own vehicle. Mr Calthorpe may or may not be able to get another driver. He further explained that the car was well maintained both mechanically and cosmetically and would be used sparingly on a part time basis and he did not foresee the vehicle being used for 60 to 70 hours a week.

In accordance with the approved procedure the Committee along with the Litigation and Regulatory Lawyer withdrew from the meeting to consider its decision. Upon returning it was reported that given the good condition of the vehicle, both externally and internally, it was

RESOLVED: That, notwithstanding the Council's current policy guidelines, Mr Lee Calthorpe be granted a Private Hire Vehicle licence for Skoda Octavia registration GD16 XSY, for a period of 12 months.

48 HIGHWAYS ACT 1980 - SECTION 115E - THE TOLL BRIDGE, 7 FISHERMAN'S WHARF, SANDWICH

This item was withdrawn.

The meeting ended at 10.20 am.

However circumstances may arise where it is desirable for a Member to seek immediate clarification or a point made by a witness or by a party during the course of giving evidence, answering questions being put to him by another party or making a submission. This should be permitted by the Chairman provided that the question is relevant and is conducive to the proper conduct of the hearing. Where additional questions are permitted after the Applicant's case has been summed up, the Applicant or his/her representative will always be given the final right of reply.
3. Under no circumstances must the parties or their witnesses offer members of the Committee information in the absence of the other party. Similarly Members must not attempt to gain information from any party at the hearing in the absence of the other. These are essential requirements of the proper application of the rules of natural justice.
4. The Chairman may vary this procedure as circumstances require but having full regard to adhering to the rules of natural justice.
