SUPPORTING INFORMATION

1. Background

The revised governance structures for the delivery of the shared services by CCC DDC and TDC were approved on the report of Head of Legal Services (Canterbury), the Director of Governance (Dover), the Solicitor to the Council (Dover) and the Interim Legal Services Manager (Thanet) (“the original report”) by the respective Cabinets Council at the end of 2014 and the early 2015 and finally, by the East Kent Services Committee on 11 February 2015

Following this, the formal administrative collaboration agreement was finalised and circulated for sealing by the three authorities. Before this process was completed it was identified that some of the fine detail of the delegations approved by the respective councils and the East Kent Services Committee and reflected in the formal documentation no longer accorded with the applicable rules on public procurement which were changed on the coming into force of the Public Contracts Regulations 2015.

Although minor and easily remedied in terms of the administrative collaboration agreement, the areas of non-compliance with the revised delegations reflect the delegations which were actually agreed by the Cabinets and Council of each of the three authorities and the East Kent Services Committee. Therefore, it was necessary to ask each of these decision making bodies to formally approve the changes which have now been incorporated into the administrative collaboration agreement.

2 Features of Current Delegations and the Proposed Changes

The proposed changes all relate to the schedules of the administrative collaboration agreement which set out the delegations made. These were set out, in Schedule 5 to the Original Report. They relate to two areas.

Firstly, the delegations made only allow for the East Kent Services Committee and the Directors of EK Services and Collaborative Services to accept the lowest tender or bid in a procurement process. In procurements which are subject to the Public Contracts Regulations, lowest price is no longer a lawful award criterion. Contract subject to the regulations must now be accepted on the basis of the most economically advantageous tender.

The delegations to the East Kent Services Committee and the Directors of EK Services and Collaborative Services currently reads:-

“Acceptance of the lowest tender or bid for the carrying out of works for the committee, the purchase, leasing or hiring of goods, materials and equipment by the committee, or the supply of services to the committee, provided that budget provision is available. (paragraph 28 of Schedule 5 to the Original Report).”

This needs to be amended to read as follows:-

“Acceptance of the lowest or most economically advantageous tender or bid for the carrying out of works for the committee, the purchase, leasing or hiring of goods, materials and equipment by the committee, or the supply of services to the committee, provided that budget provision is available.”

Secondly, the delegations allow for the East Kent Services Committee and the Directors to agree to assign or novate contracts. The Public Contracts Regulations make specific provision in this regard which the earlier regulations did not. There is a need to reflect this in the delegations.

The delegations to the East Kent Services Committee and the Directors of EK Services and Collaborative Services currently reads:-

“The assignment or novation of a contract.” (paragraph 31 of Schedule 5 to the Original Report)

This needs to be amended to read as follows:-

“The assignment or novation of a contract (subject to the provisions of the Public Contracts Regulations 2015).”
