

COUNCIL – 31 January 2018

Motions on Notice by Members

(1) In accordance with Council Procedure Rule 13, Councillor M J Holloway will move:

“That the Council agrees that the Leader writes to the Minister for Communities and Local Government setting out the circumstances and actions taken around the Chimes at St Peter’s Church Sandwich and request the provision of robust guidance in dealing with statutory noise nuisance emanating from Church Bells and Chimes.

In the meantime the authority will continue to work with the Churches Conservation Trust to achieve a satisfactory resolution to the issue.”

(2) In accordance with Council Procedure Rule 13, Councillor P Walker will move:

“Dover District Council will introduce an incentive scheme to aid small businesses in Dover’s Town Centre (from Cannon Street to London Road incl.) in order to help them benefit from the developing DTIZ.

This scheme should look at:

- How business rates are applied.
- Relocation to a more advantageous position in the town.
- Appointing a Small Business Advisor.”

(3) In accordance with Council Procedure Rule 13, Councillor P M Wallace will move:

“A councillor’s relationship with the community in their ward is one of the most important factors in our role as elected representatives. We can strengthen this relationship by redistributing the Dover District Community Grants Scheme fund to the individual ward councillors, so they can play an active hands-on role in the development of their ward.

This council will re-allocate £500 from the Dover District Community Grants Scheme to each ward councillor and modify the criteria so councillors can help a broader range of interests in the ward.”
