Dear Owner /occupier,

Proposed residents parking scheme

We are aware that non-residents regularly park along the roads in your neighbourhood and, of these, most stay for the full working day. One way to address this problem would be to introduce a residents' parking scheme. Councilors on the Joint Transportation Board (JTB) have instructed Dover District Council to advertise a proposed residents' parking scheme in your area

Please find enclosed a plan showing the extent of the residential parking scheme (**Zone N**), being proposed for your area. The scheme would involve introducing a limit of 2 hours parking (return prohibited for 1 hour) along the roads within the zoned area. The limited waiting restriction would apply during the working day (8.30am – 5.30pm, Mon – Sat) but not in the evenings nor on Sundays. Residents' vehicles displaying the new **Zone N** Resident Permits would be exempt from the 2-hour limit, but all other vehicles would need to comply. Permits, which currently cost £60 per annum, would be restricted to one per residential household and its purchase would not guarantee the holder the availability of a space.

These conditions are similar to those in neighbouring streets, which currently operate under a residential parking scheme, and to save having to detail all the proposed terms for the new scheme in this letter, I have enclosed a leaflet for the existing Zone P scheme, which operates near by. Apart from specific references in the leaflet to zone labeling and addresses, all the other conditions detailed therein would apply to the scheme proposed for your area. I hope that the leaflet is self explanatory, but should you require any additional information, please contact me as detailed above.

To help me gauge the views of the residents, could you please indicate your preference for, or against, the proposed residents' parking scheme by filling in and returning the enclosed questionnaire, to reach this office by 12noon on Friday 16th March 2018. Alternatively, you can reply via email (using my address detailed above) if you prefer, stating whether, or not, you support the proposed scheme. Please ensure that any emails are delivered by 12noon on Friday 16th March 2018 and that they include your name and postal address.

P.T.O.

If the majority of responders support the proposed scheme, it would be formally advertised. Alternatively, if all but one or two roads support the scheme, it's possible that a variant scheme could be considered that excludes those roads where a majority of responders objected. Assuming that the proposed scheme is generally supported and that there are no major complications when it is formally advertised, it is hoped that the scheme could be introduced by the end of this year.

Yours faithfully,

Dean Aldridge
(Parking Operations Officer)
