It incorporates comments from each Director on performance within their directorate plus any key initiatives and concerns they may have.

2. Introduction and Background

- 2.2 The Performance Report contains information relating to the performance of the Council against key corporate indicators and considers the performance of a range of indicators against previous year’s performance.
- 2.3 The Performance Report identifies areas where performance is on track throughout the fourth quarter of 2018/19, whilst recognising the need for further improvements in some areas. Each Director provides additional commentary focussing on areas of high or low performance.
- 2.4 A section is included to show performance within the Shared Services against key indicators. A more comprehensive set of indicators for EK Services, including Civica, and East Kent Housing are monitored through the monitoring structures established by the Agreements under which those services are delivered, with any areas of significant concern being capable of escalation into this quarterly monitoring report, if required.
