<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>The Council has commissioned consultants to further investigate preferred options and costs regarding the proposed refurbishment and extension of Tides Leisure Centre in Deal. The need for wet and dryside improvements, including pool water space, fitness and aerobic provision, is supported by the Indoor Sport Facility Strategy. At Cabinet’s meeting in July 2018, it requested that a further report be submitted on the preferred options with various recommendations for overall improvements. A Cabinet decision is required to decide whether the project should progress to the next phase and develop detailed design and procurement plans for the potential delivery.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>A decision is required to inform future investment levels at Tides Leisure Centre. The wetside is reaching its end of life, the health and fitness offer is poor and Members are asked to consider all options to address deteriorating equipment and to meet strategic need.</p>
