Decision No: GE06
Publication Date: 21/01/20

General Exception

Pursuant to the Local Authorities (Executive Arrangements) (Meetings and Access to Information) (England) Regulations 2012

Notice of Key Decision

A: Decision to be taken and by whom

To agree at Cabinet on 3 February 2020 the extension of the charging period for all DDC car parks and on-street Pay & Display by 1 hour. (Currently this is 09.00–17.00 hrs and it is being proposed that this is changed to 09.00–18.00 hrs.)

This is a Key Decision which has not been included within the Notice of Forthcoming Key Decisions, but which must be taken by such a date that it is impracticable to defer the decision until 28 days after the next Notice is published.

B: Reasons why this Key Decision was not included in the Notice of Forthcoming Key Decisions and why it would not be practicable to defer the decision

This recommendation was omitted from the recommendations in the Parking Charges Review report which was presented to Cabinet on 13 January 2020. This forms part of the budget-setting process which is why it is not practical to defer this decision to a later meeting of Cabinet.
