- (2) Subject to (3) and (4) below, these arrangements supersede and replace previous arrangements made by the Leader of the Council with regard to the discharge of executive functions (and local Choice Functions which are the responsibility of the Executive).
- (3) Where, prior to the date hereof, the Leader of the Council or the Cabinet have authorised any officer or individual executive member to discharge any function of the executive, either acting alone or in consultation with any member(s) of the executive or other officer(s), then the individual executive members or officers in question shall be authorised to continue to discharge the executive functions in question, subject to the same liaison/consultation requirements as were contained in the original decision.
- (4) Where the responsibilities of any officer(s) and executive member(s) have changed since the date of any decision referred to in (3) above, the executive functions to be discharged shall be discharged by the executive member or officer whose current responsibilities most closely reflect the range of responsibilities discharged by the executive member or officer described in the original decision. Where the executive function in question was to be discharged in liaison/consultation with another executive member or officer whose responsibilities have also changed, the executive function shall now be discharged acting in liaison/consultation with the executive member(s) or officer(s) whose current responsibilities most closely reflect the range of responsibilities discharged by the executive member(s) and officer(s) described in the original decision.
