NO SET FARE

Councils in positions 359-363 do not impose a tariff for their hackney carriages and instead the individual vehicle charges an agreed fare prior to the journey.

**NATIONAL AVERAGE
TWO MILE HACKNEY FARE
TARIFF ONE
IS NOW £5.96**

PLEASE NOTE

Broadland DC are not listed in our tables as although they are a council, they have no hackney ranks (and therefore no council tariff) within their boundaries.

Where an (x) appears by a listing, it refers to the fact that a fare update has been passed by the council, but the price of our two-mile fare has not increased.

In the case of Cotswold where a (y) appears alongside the listing, the (y) refers to a fare update but one in which the fare has decreased for a two mile tariff.
