Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.) In July 2020 Cabinet authorised the Strategic Director (Operations and Commercial), in consultation with the Portfolio Holder for Transport and Licensing, to finalise the terms of an option agreement with the owners of the site immediately north of the A2 and to negotiate revised terms with the funder, Homes England. Negotiations with the landowner are close to completion and Homes England is considering a formal request to revise the terms of the funding agreement. A decision is now sought from Cabinet to allocate funds for purchase of the land in principle, subject to Homes England agreeing to revised terms and releasing the second tranche of funding.			
Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.) Homes England has requested an early decision on this point from the Council, to assist in its own decision-making process.
