Decision:	To agree to accept the grant awarded to Dover District Council by the Office for Zero Emission Vehicles for the sum of £224,270.

1. Consideration and Alternatives (*if applicable*)

Dover District Council (DDC) applied to the Office for Zero Emission Vehicles (OZEV) for a grant to assist with the introduction of 49 electric vehicle charging bays, to be sited at various locations in Dover, Deal and Sandwich. The application was successful and on 6 January 2021 OZEV awarded the Council a grant of £224,270.

OZEV has stated in its award letter that signed confirmation of acceptance of the grant must be received by no later than 15 January 2021.

2. Any Conflicts of Interest Declared?

2.1 None.

3. Supporting Information (*as applicable*)

3.1 The Chairman of the Council has agreed to suspend call-in due to the restrictive timescales involved. The Council was advised on 6 January that its application had been successful but that signed acceptance of the grant must be received by OZEV by 15 January 2021.
