Schemes of Delegation of Executive Functions to Executive Members/Executive Committees/Officers

I hereby make arrangements for the discharge of the executive functions specified at Box A below and give notice to the Monitoring Officer that I have done so.

A. Specify the Arrangements being made:

That the arrangements for the discharge of executive functions made by the Leader of the Council on 30 June 2020 (Arrangement 04/20) be amended as follows (references are to the version of the arrangements as attached to the published notice of the arrangements):

B. Specify the date from which the arrangements/amendment(s) are to have effect:

From the date upon which the Leader signs this document.

C. State whether the arrangements/amendment(s) made affect executive members or officers:

The proposed change will affect officers.

D. State reasons for, and effect of, the arrangements/amendment(s):

To ensure that officers are appropriately authorised to approve the sales and leases of individual properties within the Council's redevelopment of the William Muge and Snelgrove House sites in Dover. The business case for the redevelopment of the sites which was accepted by the Cabinet in approving the redevelopment contemplated the sale and leasing of various properties within the redevelopment. This amendment to the Scheme of Delegations enables officers to approve the disposal of properties within the redevelopment (several of which will be at values exceeding £200,000) without further recourse to Cabinet.

E. State whether, in the view of the Leader of the Council, the effect of the arrangements/amendment(s) is to withdraw delegations from the executive as a whole, a committee of the executive or an individual executive member (in any such case) to any significant extent:

No, the arrangements do not.

F. State anticipated date of report to Council:

19 May 2021
