

## **Food Poverty Review**

The Draft Food Poverty Review document has been amended following the points raised by Members at the previous meeting. It should be emphasised that the review is not intended to be a 'living' document but rather a snapshot of the work of the committee to a particular time in fulfillment of the original referral from the Council.

The Head of Community and Digital Services and the Democratic and Corporate Services Manager have drafted some proposed recommendations for discussion by Members and these are set out in the Draft Food Poverty Review in Section 2 (page 9 of the review document).

A set of proposed recommendations for consideration have also been submitted by Councillor H M Williams and are attached with the Review document.

Members are asked to approve the Review document for submission to Council at its meeting on 21 July 2021 subject to the completion of the foreword of the Controlling Group Spokesperson and any formatting or minor changes that need to be made by the Democratic and Corporate Services Manager.
