Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.) In December 2020 Cabinet considered a feasibility appraisal of a cable car between Dover Town Centre and Dover Castle, which identified that such a project could be financially viable provided the Council worked in partnership with English Heritage. The two organisations entered into a memorandum of understanding and have worked in partnership to develop an approach to governance, strategic definition, procurement and similar matters. The report will provide an update on development of the Council's relationship with English Heritage and Cabinet will be requested to consider whether to progress the project further by procuring a consultant team to begin developing detailed designs.			
Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.) A decision is required to maintain project momentum and to meet timescales agreed with English Heritage.
