(a) To Chairmen/Vice-Chairmen of Committees

There were no questions received for Chairmen/Vice-Chairmen of Committees.

(b) To the Executive

To receive answers in respect of questions from Members of the Council to a Member of the Executive asked in accordance with Rule 12 of the Council Procedure Rules.

(1) Councillor T A Bond will ask the Portfolio Holder for Transport, Licensing and Regulatory Services, Councillor M Bates:

“Whilst I endorse the need to protect the environment and to achieve the Carbon Zero targets, it is important to ensure that the burden of cost does not be unfairly placed on those that can least afford it. The current large discounts on parking permits afforded to owners of electric cars is unfair on residents who have low incomes and who are unable to afford electric cars which are a lot more expensive than other cars. Can the Portfolio Holder please review these charges?”
