TO THE COMMITTEE OF DOVER DISTRICT COUNCIL

I met Paul Ambrose 7 years ago and I told him I used to be a taxi driver. I was living with my wife Ewa and our daughter Magdalena in the Castle Inn, Dover. He offered me a 2-bedroom house in Elvington. He also said if I ever wanted a job to see him and he would help me to be a taxi driver. So that how, one day, I started driving pre-book taxi in Dover. However, one more time I ended up on Universal Credit.

I have no funds so I need to start small so I would like the Committee to give me a start by allowing my Citroen to be licensed as a private hire for a year to give me a chance. It's in good condition and with low milage. I could drive the kids on school runs.

I would be very grateful if you would give me a chance to get on my feet as a taxi driver and let me have a possibility to work. As I could be able to work, I would able to resign from Universal Credit help and give other people, who are in need, get the benefit.

  
Yours gratefully
