<p><b>Brief Details of Item:</b> (Please provide information about the contents of this item and the reason for decision.)</p> <p>The Council entered into an agreement with Persimmon and Barratts for development at Aylesham in April 2007. Since that time 917 houses have been constructed and strategic infrastructure including construction and environmental improvements to Ratling Road has been delivered. The last major report to Cabinet was considered in July 2019 and it is therefore timely to provide an update about the project. In addition, the Council's development partners have requested a deed of amendment to the agreement, to accommodate delays caused by Natural England's objections to the most recent reserved matters applications regarding concerns over possible nitrate contamination at Stodmarsh nature reserve.</p>			
<p><b>Deadline for Item:</b> (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>A timely response to the request for an extension is required.</p>
