Good morning

The police has requested that the following conditions for the tables and chairs permit if granted

1. If not secured firmly to the floor. All table and chairs are to be removed and placed in a secure compound at the end of each day's trading. This will ensure that they are not stolen or used as weapons.
3. All tables and chairs are to remain within the designated, clearly marked area and not allowed to encroach on to the public footway
4. Staff are to supervise the outside area at all times. All tables and chairs are to be cleared and cleansed as soon as possible. Staff are requested to comply with Coronavirus guidance at all times.
5. All glass wear used outside will be either re-useable plastic or in compostable containers Not Glass. (reason empty glasses could be used as weapons, be a danger to persons or animals if broken)

Please can you confirm you are happy for these conditions

Kind regards
