Dear Mr Kluczynski

R.e: Proposed Public Space Protection Order - Dover District

Thankyou for your letter dated 21st February 2022 regarding the proposed Public Spaces Protection Order to tackle Anti-Social behaviour in the Dover area. I note that public consultation is currently underway until 14th March 2022.

My office has been in close liaison with the Force in respect of the Dover proposal and the District Commander has confirmed his support for the order. It is my priority that all PSPO's have a minimal impact on front line policing resources and trust that the order will predominately be supported through Dover District Council resources.

Whilst I note that the public consultation is ongoing, I am happy to provide my provisional support to the order and look forward to hearing an update in due course.

Yours sincerely

Matthew Scott
