Church Whitfield					
2. St Peters Churchyard	6	2 (33.33%)	4 (66.67%)	The only reason for objection provided was that the churchyard was a safe area to exercise dogs off the lead despite dogs currently already being required to be kept on a lead at this location.	To continue to include this location in the new order as the restriction is in keeping with Council's approach to restrictions in churchyards and cemeteries where new burials are ongoing. Dogs on lead restrictions in cemeteries and churchyards like this one allow grieving relatives to visit loved one's places of rest with their pets if they choose without the fear of uncontrolled dogs causing unwanted disturbance.
