Enclosed dog park for Dover and ...

 **Sue Beer** started this petition to Dover District Council

There are no enclosed area's where dogs are able to safely run free , play and socialise provided by Dover District Council . All surrounding Councils provide these , Folkestone having five . Recently my dog who has good recall and only let off lead to play with other dogs in a fairly secure area picked up a scent and before I could stop her she disappeared. She was rescued in the traffic on Whitfield hill , we were so lucky and so grateful to the lady who stopped the traffic to save her , the outcome could have been very different she is now permanently on lead . . Since Covid many more people have dogs and safe areas for them are desperately needed . I am hoping that if enough people agree we can change this situation

To [Decision Maker],

We need an enclosed space for our dogs to be able to safely run, play and socialise. The nearest dog parks are Hawkinge and Folkestone, somewhere nearer is desperately needed. It is also a great place for dog owners, particularly those who live alone to meet up .

Sincerely, [REDACTED]
