Dear Owner /occupier,

## **Proposed residents' parking scheme, Sutherland Road, Albert Road, Church Path, Middle Deal Road and Matthews Close**

I would like to thank all those residents who replied to the recent consultation.

From the results of the consultation that were received, and a few questions were raised about different issues within the proposed parking zone, which I have answered below.

**Visitor Permits:** for all those residents within the zoned area, should it be installed, that require visitor permits, they can apply on line at a cost of £30 for a book of ten. These can be used for any vehicle that needs to park for longer than the permitted time and are valid for one day.

**Permit prices:** these are for all residents within the zoned area, and cost as per below, these were introduced in April 2021, as agreed by cabinet and the Joint Transport Advisory Board.

Based on vehicle emissions:

C02: 0: £35  
1-50: £70  
51-130: £90  
>130: £110

Permits are priced between £60.00 and £110.00 for a 1st permit. If a second permit is purchased the price is between £60.00 and £135.00. Prices are dependent on the emissions of the vehicle, where a permit has 2 vehicles the price will be based on the vehicle with the highest emissions.

Further information can be found on the DDC website as per the below.

<https://www.dover.gov.uk/Transport,-Streets--Parking/Parking/Parking-Permits/Residents-Permits/Residents-Parking-Permits.aspx>

Issues relating to the car park allocated to residents of 27 to 65 Albert Road by Quinn Estates. This car park still belongs to Quinn Estates and as such DDC Parking Services have no enforcement over parking issues and can't provide parking permits for this area. Residents having any issues with parking in that area need to relay them to Quinn Estates direct.

There is an additional question for residents that I require an answer to – if scheme was introduced in neighbouring roads, would residents want their road to also be included.

To help gauge the views of the residents, could you please indicate your preference for, or against, the question above by filling in and returning the enclosed questionnaire, to reach this office by 12noon on Monday 21<sup>st</sup> March 2022. Alternatively, you can reply via email (using the address detailed above) stating whether, or not, you support the proposed scheme. Please ensure that any emails are delivered by 12noon on Monday 21<sup>st</sup> March 2022 and that they include your name and postal address

Yours faithfully,

A handwritten signature in black ink, appearing to read 'D. Aldridge', written in a cursive style.

**Mr. Dean Aldridge**  
(Parking Operations Manager)

A large text version of this letter and accompanying questionnaire can be provided, if required. Please contact:
