1	No. 102	The single yellow line at th bottom of Masons Road could become double yellow lines to provide a passing point but the others are essential parking and need to remain. Parking is difficult enough for residents there is a pay & display hospital car par, do not increase to two hours. Q.1) No                      Q.2) No                      Q.3) No
2	No.152	Option to pay to stay longer than the current one hour Q.1) No                      Q.2) a-No b-Yes                      Q.3) N/A
3	No.154	The hospital should never have been built here, should have bee at Whitfield. Q.1) No                      Q.2) a-Yes b-No                      Q.3) Yes

1	No.36	I have suggested including Sunday's due to the issues we have with the care home on Sundays. I have also suggested a 7am - 7pm each day to help people park when returning from work. We typically have the most issues during the evenings especially if staff in the care home choose to park outside of our house. I would also like to say that parking needs to be slightly more expensive in the road than the hospital car park or this scheme could make things worse with people paying a discount for 2 hours parking instead of the current free 1-hour parking. 4	No.126	Can you explain, how you are going to Police this new scheme, as traffic wardens come here may 1-2 week. If not polices properly then it will be waste of time, but still cost permit holder over £120 a year, and no guarantee parking space. As your making money, will the permit charge go back to £65 year.
