Dear Owner/occupier,

Dover District Council's Parking Services is in the process of reviewing the residents schemes in the district. To be able to maintain the number of permits per zone, we propose to alter the areas in which they are valid. We are also looking to amend the period that the residents schemes are enforceable.

I am taking a report to the Dover Joint Transportation Board (JTAB), which only has an advisory role, in June 2022. The focus of the concerns will be;

(a) That consultation be undertaken on the following proposal:

- Zone H only to be used in north Deal, from Queen Street (no change)
- Zone L only to be used in south Deal, up to Queen Street (a change to the current Zone H)
- Zone P only to be used in west Deal, from the train station (a change to the current Zone N)
- Revising the resident's schemes restriction period from 8.30am-5.30pm to 7am-8pm

I am therefore writing to invite you to take part in this consultation on the proposal to introduce the changes on the current schemes.

No new roads will be introduced to the current schemes.

The suggested area to be covered by each of the revised zones is as set out on the attached plan.

If you would like your views to be considered can you please complete and return the enclosed questionnaire.
