

Agenda Item 9 - Broadcast and Recording of Meetings

Recommendation of the Governance Committee:

- RESOLVED:
- (a) That it be recommended to the Council that the Constitutional amendments to enable the continued broadcasting of meetings and the use of the electronic voting system set out in Appendix 1 of the Arrangements for the Broadcasting and Recording of Meetings report be approved and incorporated into the Council's Constitution (Issue 24).
 - (b) That it be recommended that the broadcast of meetings and the electronic voting system on the grounds as set out in the report be approved.
 - (c) That the recording and retention of broadcasts for a period of 30 days be trialled for a 3-month period and reviewed at the end of this trial.
