<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>This is the third Infrastructure Funding Statement (IFS) to be published by the Council under legal requirements laid down in the Community Infrastructure Levy (CIL) regulations (as amended September 2019). This legislation provides guidance on what should be included in the financial statement, and it is proposed that several spreadsheets will be made publicly available on the Council's website alongside this document to fully comply with statutory requirements. The published data will provide a full and open view of the Council's S106 funding, including S106 funding that is being held prior to the start of the monitoring year. Publication of this data may prompt interest from many different sources and the Council may come under scrutiny.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>Legislation requires the statement to be published on the Council's website by 30 December each year.</p>
