<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>On 4 July 2022 Cabinet accepted recommendations that the Housing Options System contract for Kent should be awarded to Huume following a procurement exercise. To be able to safely and efficiently move the data from housing systems across Kent and Medway from the current Locata system to the new software provided by Huume, the housing register will need to be suspended to new applicants for a period of one month between June and July.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>We would like to start to publicise this in early 2023 so that members of the public are aware that they will need to submit a housing register application before June 2023 or after the housing register reopens the following month.</p>
