Subject: Application for tables & chairs at The Sandwich Bakery Company, King Street, Sandwich
Date: 16 May 2023 15:20:31

Good afternoon

I'd like to SUPPORT this application as the proposal is for the chairs and tables to be places on Austins Lane which is a no through road, closed off at both ends, and even with the tables and chairs in place there is still ample room for people to be pass by. It would seem a logical place to have them and supports the efforts to encourage more people to come and spend in Sandwich, and in addition many other establishments have tables and chairs outside their premises in what some would argue are a much more hazardous location.

Thanks

Andrew Ayers
