

Questions Raised on Notice by Members of the Public

(a) To the Executive

In accordance with Rule 11 of the Council Procedure Rules, notice was given by a member of the public to ask the following question:

(1) Sarah Waite-Gleave will ask the Leader of the Council:

“Mindful of the encouraging assurances made by the DDC leader at the last full council meeting in July, what progress has been made as regards replacing the closeted Climate Change PAG with a structure with slightly wider representation?”

(2) Dr Brian Philp MBE will ask the Leader of the Council:

“Whilst wishing the new Council every future success, please could I ask that, in view of the massive 50 year programme of excavation, publication and tourism by my Kent Archaeological Rescue Unit across ancient Dover, which included the discovery, excavation, preservation and fund raising for the Roman Painted House, and the later construction of the cover-building over it, the latter on behalf of the PH Trust, and the subsequent management for 46 years ending in June 2022, which won four national awards and welcomed over 700,000 visitors, at no management cost to Dover Council, that the new Council could very kindly consider acknowledging our major contribution to tourism and heritage of this World famous town?”

In accordance with Council Procedure Rule 11.7, the Chairman will invite the questioner to put the question exactly as submitted to the Member named in the notice. If a questioner who has submitted a written question is unable to be present, they may ask the Chairman to put the question on their behalf. The Chairman may ask the question on the questioner's behalf, indicate that a written reply will be given or decide, in the absence of the questioner, that the question will not be dealt with.

In accordance with Council Procedure Rule 11.8, a questioner who has put a question in person may also put one supplementary question without notice to the member who has replied to his or her original question. A supplementary question must arise directly out of the original question or the reply.

A maximum of three minutes shall be allowed for the question to be read. The period for questions by the public shall be limited so that no further question shall be put after the elapse of 15 minutes from the commencement of the first question.

Any questions which cannot be dealt with during public question time, either because of lack of time or because of the non-attendance of the member to whom it was to be put, will be dealt with by a written answer.
