Concessions

Please note: Not all concessions are valid for all application types. Upon receipt of your application, the local authority will check the fee is correct and if the concession is applicable.

Exemptions from payment

An application solely for the alteration or extension of an existing dwellinghouse; or works in the curtilage of an existing dwellinghouse (other than the erection of a dwellinghouse) for the purpose of providing:

- Means of access to or within it for a disabled person who is resident in it, or is proposing to take up residence in it; or
- Facilities designed to secure that person's greater safety, health or comfort.

An application solely for the carrying out of the operations for the purpose of providing a means of access for disabled persons to or within a building or premises to which members of the public are admitted.

Listed Building Consent

Planning permission for relevant demolition in a Conservation Area

Works to Trees covered by a Tree Preservation Order or in a Conservation Area Hedgerow Removal

If the application is the first revision of an application for development of the same character or description on the same site by the same applicant:

- For a withdrawn application: Within 12 months of the date the application was received
- For a determined application: Within 12 months of the date the application was granted, refused or an appeal dismissed
- For an application where an appeal was made on the grounds of non-determination: Within 12 months of the period when the giving of notice of a decision on the earlier valid application expired

If the application is for a lawful development certificate, for existing use, where an application for planning permission for the same development would be exempt from the need to pay a planning fee under any other planning fee regulation

If the application is for consent to display an advertisement following either a withdrawal of an earlier application (before notice of decision was issued) or where the application is made following refusal of consent for display of an advertisement, and where the application is made by or on behalf of the same person

If the application is for consent to display an advertisement which results from a direction under Regulation 7 of the 2007 Regulations, dis-applying deemed consent under Regulation 6 to the advertisement in question

Concessions continued...

Please note: Not all concessions are valid for all application types. Upon receipt of your application, the local authority will check the fee is correct and if the concession is applicable.

Exemptions from payment continued...

If the application relates to a condition or conditions on an application for Listed Building Consent or planning permission for relevant demolition in a Conservation Area

If the application is for a Certificate of Lawfulness of Proposed Works to a listed building

If an application for planning permission (for which a fee is payable) being made by the same applicant on the same date for the same site, buildings or land as the prior approval application (for larger home extensions, additional storeys on a home, or change of uses)

Reductions to payments

If the application is being made on behalf of a non-profit making sports club for works for playing fields not involving buildings then the fee is £462

If the application is being made on behalf of a parish or community council then the fee is 50%

If the application is an alternative proposal being submitted on the same site by the same applicant on the same day, where this application is of lesser cost then the fee is 50%

In respect of reserved matters you must pay a sum equal to or greater than what would be payable at current rates for approval of all the reserved matters. If this amount has already been paid then the fee is £462

If the application is for a Lawful Development Certificate for a Proposed use or development, then the fee is 50%

If two or more applications are submitted for different proposals on the same day and relating to the same site then you must pay the fee for the highest fee plus half sum of the others

Fees for cross boundary applications

Where an application crosses one or more local or district planning authorities.

- The amount due is usually 150% of the 'single' fee that would have been payable for the proposed development (as if there had only been one application to a single authority covering the entire site); unless
- The 'total' fee (the sum total of each separately calculated fee for each part of the development within each authority's boundary) is smaller. In which case this 'total' fee is the fee due

In either case, the fee should be paid to the authority that contains the larger part of the application site within its boundary.
