<p>Brief Details of Item: (Please provide information about the contents of this item and the reason for decision.)</p> <p>In November 2023, Cabinet noted the findings from the RIBA Stage 2 detailed feasibility summary report and the challenges posed to the viability of the project by the wider economic climate. Members agreed to approve the additional spend of £20,000 from the existing Tides Replacement capital project to explore whether there are any solutions or sources of external funding that might provide a possible way forward for the project. This report is being prepared to inform Cabinet Members of how this work has progressed and to decide how and whether the project should progress in its current form to the next stage of development or otherwise.</p>			
<p>Deadline for Item: (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>Tides Leisure Centre wetside is reaching its end of life and the health & fitness offer is very poor. A decision is required to direct future proposals for Tides Leisure Centre and Members are asked to consider alternative solutions or sources of external funding being explored and to determine how best to direct the next stages of project development.</p>
