<p><b>Brief Details of Item:</b> (Please provide information about the contents of this item and the reason for decision.)</p> <p>The current Neighbour Nuisance and Anti-Social Behaviour Policy was approved by Cabinet in 2020. Since then, there have been several legislative and regulatory changes that now require this document to be reviewed.</p> <p>The Council is statutorily required by the Regulator of Social Housing's Neighbourhood and Community Standard to produce and publish a policy that outlines how it will address anti-social behaviour (ASB), what formal and informal action will be taken, a tenant's right to an ASB Case Review and how the Council will work collaboratively with other agencies to prevent the occurrence of ASB. The proposed Policy has been developed to comply with existing legislation and regulation, and now includes an expanded section on ASB in relation to Hate Crime and Domestic Abuse.</p>			

**Deadline for Item:**

(Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)

While the Council is statutorily required to have this Policy, there are no statutory deadlines. Once this policy has been approved and adopted by the Council, it will be implemented across Housing Services.
