<p><b>Brief Details of Item:</b> (Please provide information about the contents of this item and the reason for decision.)</p> <p>In July 2024, Cabinet noted options investigated to date and agreed to proceed with further investigations of the proposed Alliance Leisure Services Revised New Build Scheme as a way forward for project delivery. Members requested that the Tides Project Advisory Group review progress of work, investigate the addition of a sixth lane to the pool with leisure water provision and report their recommendations back to Cabinet members at the end of RIBA Stage 2 detailed feasibility. This report is being prepared to inform Cabinet members of how this work has progressed and includes presentation of project viability and discusses operational matters. Members are being asked to decide whether and how the project should progress into the next stage of development.</p>			
<p><b>Deadline for Item:</b> (Please indicate the date and whether this is statutory, operational or to meet the requirements of another agency.)</p> <p>Tides Leisure Centre wetside is reaching its end of life and the health &amp; fitness offer is very poor. A decision is required to direct future proposals for Tides Leisure Centre. Members are asked to consider findings from the RIBA stage 2 report, the financial viability of the project and operational matters in order to agree whether the project should progress in accordance with the recommendations of the Tides Project Advisory Group.</p>
