THE SCHEME

Residents parking schemes are available in some areas of Deal, Dover and Sandwich to assist residents and their visitors to park on the street close to their homes.

Parking bays marked on the street permit parking between 8.30 a.m. and 5.30 p.m. for the times and days shown on the signs in that area. A vehicle displaying a valid resident or visitor permit may be parked without time limit in a marked bay within the zone for which the permit is purchased.

Disabled drivers displaying a valid blue badge may park in a marked bay without time limit in Limited Waiting parking areas and may not require a residents permit.

Please remember the purchase of a permit does not guarantee a space and does not allow parking on yellow lines.
