Dear Beccy

Further to my recent enquiry I have enclosed an application form for Street Trading Consent, photographs of my vehicle and the proposed site of New Bridge, a cheque and passport photo.

I have an immaculate, unique and professionally converted vehicle which is a real 'head turner'. I wanted it to compliment the ideal image of Dover and further promote a positive experience of the town.

As I have lived and worked in and around Dover all my life and am a proud resident, I intend to offer quality (inc, locally sourced pastries). As I am also working at street level, I am happy (as when I sold Doughnuts in the town for several years) to point people in the right direction to the town, local attractions and amenities. I would also be pleased to give out leaflets with local information and use my extensive knowledge of Dover to further promote the town.

In addition, my unit is silent running and so will not cause any noise pollution to those nearby.

I look forward to hearing from you soon. Please contact me with any further queries.

Kind regards

Kim Lock (Mrs)
